

## Town of Ashford Summer Recreation 2019

Welcome summer vacation! Now is the time to register children ages 6-12 for this year's fun and activities with the Town of Ashford Summer Recreation program. This year's program will run similar to last year. Once again the West Valley Central School District has agreed to allow us use of the grounds and facilities. We will offer three days a week at the school; organized outdoor/indoor physical activity and fun with crafts and creativity from 9am-11:30am. Once again we will join the Machias Recreation program two days a week and children receive Red Cross certified swim lessons at the pool in Machias from 9:30am-1:30pm. Your child need not participate in both activities. They may sign up for one or both.

We will also participate in the nutritious free lunch program sponsored by Community Action as we did last year. Please be aware that at this time we do not serve any special diet needs and there are no restrictions on what is served. You may choose to opt out and/or send a lunch with your child instead.

We will be heading out on field trip adventures and also have a special visit or two at the school as well. Attached is a calendar of events (\*dates/times subject to change, see our Facebook or remind app for recent changes or updates).

**Swim will not begin until Tuesday July 9th.** Up until that day we will have regular hours of 9am to 11:30am. **Free lunches will not be served until Monday July 8th.** Use gym door entrance for drop-off/pick-up.

We will be inside the gym and outdoors as the weather allows. Please make sure your child wears sneakers each day, including swim days. They will not be permitted to participate in any physical activity without proper footwear. **No flip-flops. They will need a towel and water bottle on swim days.**

You will find a registration form attached and a photo release form. Each child needs a separate registration. You may return it to school or bring it on the first day that they attend.

If you have any questions regarding the Summer Recreation Program, please contact Angela Ghani at 716-244-0122 or through our social media/remind groups.
